By far my favourite part was the tour. The MASSIVE library, the extensive amount of social areas, the sports areas, and the campus itself left me spellbound!

On the 30th May 2014 Years 5 and 6 went to UWS for an excursion. The excursion to UWS was AMAZING! It had a ton of cool things, such as a HUGE library and a lecture room. They also had fun activities like making paper aeroplanes and solving a crime scene.

At the end of the day lots of people wanted to go to University when they finish High School. Although my favourite part of the University was … THE HANGOUT ROOM!!! It had a pool table and a ping pong table, and I never knew that Universities had so many Cafes!

To wrap it all up I LOVED the University and I definitely want to go there one day.
