District Cross Country
Congratulation to our team for a great effort. Our best performer was Dylan Steadman who finished 9th in his division which makes him a reserve for the district team to go to the Regional event.

University of Western Sydney Visit
A number of our students will be attending an activities day at the Richmond Campus of the University of Western Sydney this Friday, May 30.

School Contributions
Last Noticeboard, notes were sent home regarding school contributions. Our contributions are very low compared with other schools and the additional funds allow us to provide a greater educational experience for your children.

This year we are working on upgrading our computers in the computer laboratory as many are reaching their useful use by date.

Camp Yarramundi
Please ensure your payments are up to date for camp.

We are now only 3 weeks away from camp and the school is committed to pay for the number of students who nominated to attend.

Absent Notes
Absent notes are required for all absences. The note should include the reason for the absence and the date of any absences. Proforma Absent Notes have been included on page 3.

This is a legal requirement not just a school rule.

Head Lice
All schools are suffering from high numbers of cases of Head Lice.

There has been reports of students with Head Lice in some classes. Please treat your children and remember clothes, hats, sheets and pillow cases all need to be washed to avoid reinfection.

Principal
