K-2 Excursions
Our K-2 students have, over the past two weeks enjoyed two very different excursions.

Travelling to Fagan Park at Galston last Tuesday our students explored a variety of international gardens, an eco-garden and the original homestead.

Yesterday, as part of our Asian studies, K-2 visited SOO’S Chinese restaurant at South Windsor to sample some Asian food. Special thanks to SOO’S restaurant who really went out of their way to support our program. If you order there please tell them you are from Windsor South Public School and appreciate their support.

Allowah Day
Last Thursday a group of our indigenous students attended Allowah day which is a gathering of Aboriginal students from a number of Western Sydney schools for a variety of cultural and sporting activities.

By all reports it was great day.

Multicultural Day
Next Thursday, 18 September we will be holding our multicultural day. This is part of the program of study each class has undertaken during this term.

A range of foods and performances will be presented based on the country each class has studied.

SPECIAL NOTE
Medication
Students are not permitted to self medicate under any circumstances. Students are not permitted to have medications on themselves or in school bags. This includes asthma inhalers.

Any medication that needs to be administered through the day is required to be held at the school office. Written advice from a parent needs to be lodged with the medication. This advice should show amount and frequency of dosages.

Where necessary the school may require written advice from a doctor.

Asthma Plan
Any student who requires asthma medication is required to have an asthma management plan signed by a doctor lodged at school with the appropriate medication. This is a Department of Education and Communities requirement.

Between September 15 and October 24 I will be out of the school during a period of leave and working off site.

During this period Mrs Bristol will be relieving principal.

Have a safe and happy holiday period with your children.

Peter Hayes
Principal
