Canberra Camp
We enjoyed a very productive trip to Canberra with lots of learning and fun happening throughout the trip.

I particularly enjoyed the chance to work with our students out of the school environment.

I note our Facebook page was frequented regularly by a large number of people. It was a great way to share our trip with families.

Windsor Excursion
Our junior students had a great day learning about Windsor's history. It was a pity they had to come back early due to wet weather but they all had a good day and were congratulated on their beautiful behaviour.

Canberra Excursion
Students from our school have recently undertaken an education tour of the National Capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the National Capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
